

# BEHAVIOR TAILS, LLC TALES OF OUR ADVENTURES

April 1, 2023

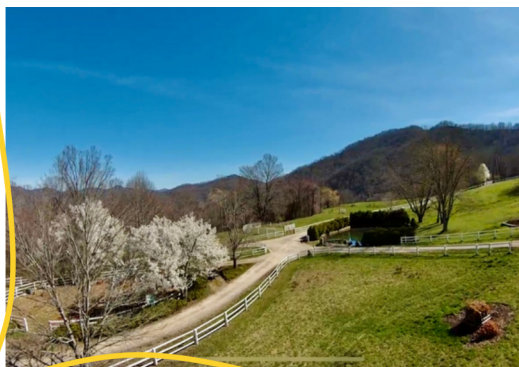

| Volume 01

## WELCOME TO OUR FIRST NEWSLETTER

All of us here at Behavior Tails hope everyone is enjoying the emerging Spring as much as we are! We are reaching out to catch up with everyone, and let you know how 2023 is unfolding so far.

We have news! Some of you may know already, but we have two Service Dogs in Training that live here on the property. They were donated as small puppies to our service dog non-profit, Tails in Service. They are parti Poodles who came to us as gift from Prism Place Poodles in Kannapolis, NC, and their names are Perry and Picasso. They are 7 months old now, and are doing great with their training. If you take a class with us, you are sure to see them around, either attending class, or helping us by working as a distraction. To follow their journey more closely, check out their photos on our Facebook and Instagram pages.

## CHANGES AT THE TRAINING CENTER

We are very enthused to be fencing in the horse pasture in front of the training center for many off leash and long line activities! We are planning play dates and classes on nose work, coming when called, loose leash walking, and shed hunting down there, just to name a few. We're pretty excited to share the new space and new classes with you!
